Summary of reasons for decision:

The image is a self-taken photo of a clothed young woman. It also features branding for an adult website but the title is not sexually explicit. There is nothing overtly sexual about the image. The image does not pass the “subject matter gateway” of s3(1) of the Films, Videos, and Publications Classification Act 1993, nor does it deal with matters under s3A or s3B of that Act. The publication must therefore be classified unrestricted. An unrestricted classification imposes no limitations on the right to freedom of expression provided by the New Zealand Bill of Rights Act 1990.
